

Opting Out Of The Student Health Insurance Program

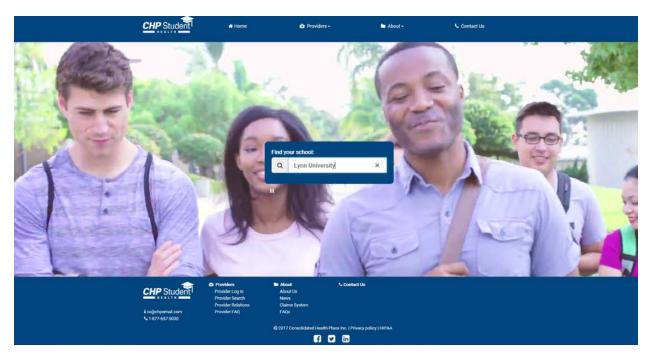

All Full-Time, Day-students, International students and Graduate students living on campus are automatically enrolled in the Lynn University health insurance plan. The premium for coverage is added to the student's tuition bill unless proof of alternate coverage is provided.

If you have your own health insurance plan that is comparable to the plan offered by Consolidated Health Plan (CHP) you have the option to opt out through completing the Student Insurance Waiver on the CHP website.

A step by step guide to waive is provided below.

- 1. Open your internet browser and type www.studentinsurance.com
- 2. The website below will open
- 3. Type Lynn University into the search bar

You will then be directed to the CHP: Student Insurance for Lynn University web page

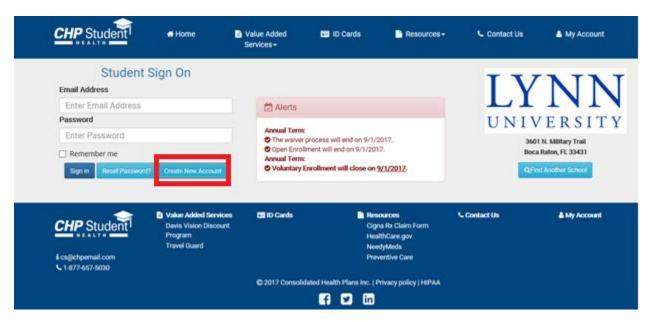

To waive the Lynn University Health Insurance, the option "Waive or Enroll (Mandatory)" highlighted in red must be selected below.

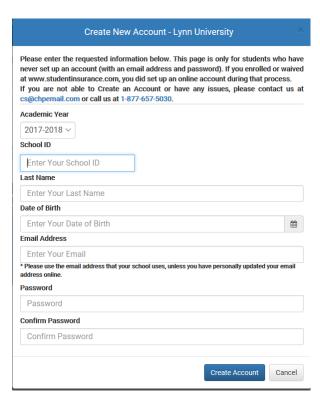

You must then create an account with CHP. The button highlighted in red should be selected.

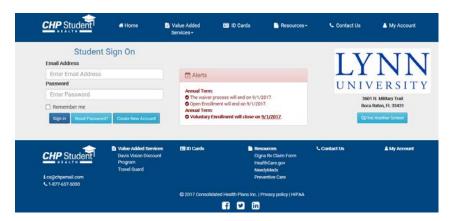

On the screen below, you will be asked to input your personal information. The School ID is your Student ID Number.

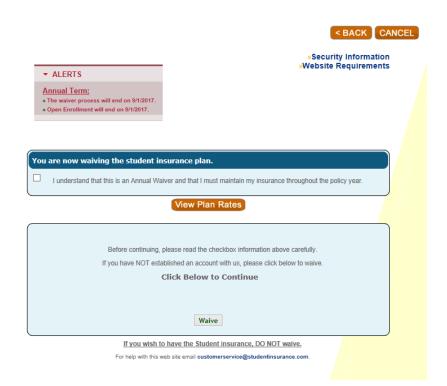

Once the account is created, you will return to the log in screen. After logging in, you will choose to waive the CHP Health Insurance.

The following screen prompts you to acknowledge that the insured must maintain insurance for the year of the agreement.

The screen below will need to be populated with all of your contact information and current insurance details.
