**CHANGE OF
MAJOR
FORGIVENESS**

The change of major/specialization/minor forgiveness policy allows a student who has changed his/her major/specialization/minor to discount up to two courses in the abandoned major /specialization/minor. The transcript will reflect the student’s complete record with an added notation of “Academic Forgiveness Declared” by the selected course(s). However the grade(s) will not be calculated in the cumulative GPA. Neither the grades nor the credits will be counted toward graduation requirements. A student may declare a change of major/specialization/minor forgiveness only once in his/her college career.
